

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WATER BACK-UP AND SUMP OVERFLOW

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

SCHEDULE

Premises Number	Covered Property Annual Aggregate Limit Of Insurance	Business Income And Extra Expense Annual Aggregate Limit Of Insurance
	\$	\$
	\$	\$
	\$	\$
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

A. We will pay for direct physical loss or damage to Covered Property, covered under Section I – Property, caused by or resulting from:

1. Water or waterborne material which backs up through or overflows or is otherwise discharged from a sewer or drain; or
2. Water or waterborne material which overflows or is otherwise discharged from a sump, sump pump or related equipment, even if the overflow or discharge results from mechanical breakdown of a sump pump or its related equipment.

However, with respect to Paragraph **A.2.**, we will not pay the cost of repairing or replacing a sump pump or its related equipment in the event of mechanical breakdown.

B. The coverage described in Paragraph **A.** of this endorsement does not apply to loss or damage resulting from:

1. An insured's failure to keep a sump pump or its related equipment in proper working condition;
2. An insured's failure to perform the routine maintenance or repair necessary to keep a sewer or drain free from obstructions; or
3. Sump pump failure which is caused by or results from failure of power, unless this policy is endorsed to cover power failure affecting the described premises.

C. The most we will pay for the coverage provided under this endorsement for all direct physical loss or damage to Covered Property is the Covered Property Annual Aggregate Limit of Insurance. That limit is \$5,000 per location, unless a different Covered Property Annual Aggregate Limit Of Insurance is indicated in the Schedule of this endorsement.

The applicable Covered Property Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all direct physical loss or damage sustained in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property. If loss payment for the first such occurrence does not exhaust the applicable Limit of Insurance, then the balance of that limit is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

- D. The following provisions apply to **Section I – Property** and supersede any provisions to the contrary:

The most we will pay under:

1. Paragraph **A.5.f.** Business Income Additional Coverage for all loss of Business Income you sustain due to the necessary suspension of your "operations" caused by direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement; and
2. Paragraph **A.5.g.** Extra Expense Additional Coverage for all necessary Extra Expense you incur and that you would not have incurred if there had been no direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement;

is the Business Income And Extra Expense Annual Aggregate Limit of Insurance. That limit is \$5,000 per location, unless a different Business Income And Extra Expense Annual Aggregate Limit Of Insurance is shown in the Schedule.

The applicable Business Income And Extra Expense Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all loss of Business Income you sustain and Extra Expense you incur in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property as described in Paragraph **A.** of this endorsement. If loss payment during an earlier "period of restoration" in the policy year does not exhaust the applicable Limit of Insurance, then the balance of that limit is available for loss of Business Income you sustain or Extra Expense you incur during a subsequent "period of restoration" beginning in, but not after, that policy year. With respect to a "period of restoration" which begins in one policy year and continues in a subsequent policy year(s), all loss of Business Income you sustain or Extra Expense you incur is deemed to be sustained or incurred in the policy year in which the "period of restoration" began.

- E. With respect to the coverage provided under this endorsement, the **Water** Exclusion in **Section I – Property** is replaced by the following:

Water

1. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
2. Mudslide or mudflow;
3. Water under the ground surface pressing on, or flowing or seeping through:
 - a. Foundations, walls, floors or paved surfaces;
 - b. Basements, whether paved or not; or
 - c. Doors, windows or other openings; or
4. Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **1.** or **3.**, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **1.** through **4.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **1.** through **4.**, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage.

- F. For the purposes of this endorsement, the term drain includes a roof drain and related fixtures.
