EXCLUSION OF TERRORISM (WITH LIMITED EXCEPTION) AND EXCLUSION OF WAR AND MILITARY ACTION

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS SPECIAL PROPERTY COVERAGE FORM
BUSINESSOWNERS STANDARD PROPERTY COVERAGE FORM

- A. The War And Military Action Exclusion** is replaced by the following exclusion. With respect to any Coverage Form to which the War And Military Action Exclusion does not apply, that exclusion is hereby added as follows.

WAR AND MILITARY ACTION EXCLUSION

We will not pay for loss or damage caused directly or indirectly by the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

1. War, including undeclared or civil war; or
2. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
3. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

With respect to any action that comes within the terms of this exclusion and involves nuclear reaction or radiation, or radioactive contamination, this War And Military Action Exclusion supersedes the Nuclear Hazard Exclusion.

- B. Regardless of the amount of damage and losses, the Terrorism Exclusion applies to any incident of terrorism:**
1. That involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
 2. That is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

3. In which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

Except as provided in **B.1.**, **B.2.** or **B.3.** above, the Terrorism Exclusion will only apply to an incident of terrorism in which the total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of terrorism which occur within a 72-hour period and appear to be carried out in concert or to have a related purposed or common leadership will be deemed to be one incident.

The preceding paragraph describes the threshold used to measure the magnitude of an incident of terrorism and the circumstances in which the threshold will apply, for the purpose of determining whether the Terrorism Exclusion will apply to that incident. When the Terrorism Exclusion applies to an incident of terrorism, there is no coverage under this Coverage Form.

In the event of any incident of terrorism that is not subject to the Terrorism Exclusion, coverage does not apply to any element of loss or damage that is otherwise excluded under this Coverage Form.

TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by terrorism, including action in hindering or defending against an actual or expected incident of terrorism. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

But if terrorism results in fire, we will pay for the loss or damage caused by that fire. However, this exception for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the exception does not apply to insurance provided under the Business Income and/or Extra Expense Additional Coverages.

Terrorism means activities against persons, organizations or property of any nature:

1. That involve the following or preparation for the following:
 - a. Use or threat of force or violence; or
 - b. Commission or threat of a dangerous act; or
 - c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and
2. When one or both of the following applies:
 - a. The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - b. It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

But with respect to any such activity that also comes within the terms of the War And Military Action Exclusion, that exclusion supersedes this Terrorism Exclusion.

In the event of an incident of terrorism that involves nuclear reaction or radiation, or radioactive contamination, this Terrorism Exclusion supersedes the Nuclear Hazard Exclusion.
