## **WAR OR TERRORISM EXCLUSION**

This endorsement modifies insurance provided under the following:

### **BUSINESSOWNERS LIABILITY COVERAGE FORM**

**A. Paragraph B.1.i. Exclusions** is replaced by the following:

#### **1. Applicable To Business Liability Coverage**

This insurance does not apply to:

##### **i. War Or Terrorism**

"Bodily injury" or "property damage", "personal injury" or "advertising injury" arising directly or indirectly out of:

- (1) War, including undeclared or civil war; or
- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- (3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these; or
- (4) "Terrorism", including any action taken in hindering or defending against an actual or expected incident of "terrorism" regardless of any other cause or event that contributes concurrently or in any sequence to the injury or damage.

However, with respect to "terrorism", this exclusion only applies if one or more of the following are attributable to an incident of "terrorism":

- (1) The total of insured damage to all types of property exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
- (2) Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
  - (a) Physical injury that involves a substantial risk of death; or
  - (b) Protracted and obvious physical disfigurement; or
  - (c) Protracted loss of or impairment of the function of a bodily member or organ; or
- (3) The "terrorism" involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
- (4) The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

- (5) Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials.

Paragraphs (1) and (2), immediately preceding, describe the thresholds used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether the Terrorism Exclusion will apply to that incident. When the Terrorism Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Form.

In the event of any incident of "terrorism" that is not subject to the Terrorism Exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Coverage Form.

Multiple incidents of "terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.
